

Fact Sheet

We're changing the way global brands and their agencies advertise to audiences around the world. Our mission is to transform media for the benefit of humankind by helping brands deliver a more insightful and relevant ad experience to consumers — and setting a new standard for global reach, accuracy, and transparency.

Our cloud-based, data-driven platform helps our clients reach their customers with targeted display, video, Connected TV, audio, native, and social ads across every device. And our Enterprise APIs let advertisers customize our software to meet their needs.

Clients

We help advertisers around the world plan, launch, and optimize digital advertising campaigns with industry-leading results. Our clients include advertising agencies and trading desks, brands and marketers, and businesses offering new services in real-time bidding.

We provide a wide scope of resources and support to empower our clients, including a comprehensive e-learning curriculum covering introductory to advanced topics in programmatic advertising. Our commitment to client success is at the heart of everything we do — proven by our more than 95 percent client retention rate for the past eight years.

Company culture

We're uncompromising when it comes to prioritizing our people and our culture above all else. The values we share as a company — including grit, generosity, and openness — are not only at the heart of who we are, but also define how we do business. That's why we're proud to be recognized year after year as one of the bestplaces to work by numerous organizations and media outlets.
